

YOUR INSURANCE COVER MAY BE CANCELLED

The Australian Government has made laws that may result in your insurance cover in MIESF being cancelled.

If we have not received any contributions from you or your employer or a rollover from another fund on your behalf for more than 16 months your insurance cover will be cancelled.

The good news is that you do have a choice.

You can continue your insurance cover by completing sections 1 and 2 and signing and dating page 3 of the Member Super Choices form and returning it to the Fund.

You should receive a letter from the Fund if these changes are likely to affect you.

We urge you to read the letter and complete the enclosed documents.

If you receive a letter you can also call us on (03) 9662 3861 or 1800 252 099.

Please note that members who have their insurance cover cancelled due to no amount being received for 16 months will only have their cover reinstated if the Fund accepts a SG contribution from an employer on their behalf and provided they are eligible for cover on the date the SG contribution is accepted. These members will have the percentage of cover that applied when the cover ceased due to inactivity.
