Section 3 - Your Insurance Choice Decision

MIESF provides automatic Death, Terminal Illness and Total and Permanent Disablement (TPD) insurance cover for eligible members.

The standard amount of Death and TPD cover that applies and the weekly cost to insured members is shown below. The amount of any insured death or TPD benefit that becomes payable is based on the eligible member's age at the date of death or the date of disablement (as applicable), and is subject to a restriction on the amount of benefit for the first year of cover.

The insured portion of the Death and TPD benefit is restricted to half of the cover amounts shown above until one year after the date the Fund receives an eligible member's first Superannuation Guarantee contribution, however the weekly cost is not halved unless you elect to reduce your cover amounts to 50% (see below).

There are further cover restrictions explained in the current Insurance Booklet

The Fund's insurance cover is designed to give financial assistance to you or your dependants in the event of your permanent disablement, terminal illness or death. Members can elect to reduce their level of cover and the cost if they believe that the cost of this cover inappropriately erodes their retirement benefits.

You can elect to reduce your insurance cover and the cost to 50% of the amounts shown above. For example, if you are aged 25, you may wish to elect to have Death cover of only \$100,000 and TPD cover of \$75,000 and your weekly cost would be \$2.43.

If you elect to reduce your cover to 50% of the amounts shown above, you can increase it back to 100% of the amounts shown at a later time, subject to the cover restrictions explained on page 6 of the current Insurance Booklet.

You can also opt out of Death, Terminal Illness and TPD cover altogether, but you cannot opt out of one, but not the others. **Generally, once a member opts out of cover, the member will become ineligible for cover in the Fund at any time in the future.**

YOU THEREFORE HAVE 3 OPTIONS, please write (x) next to the level of insurance cover you choose.

OPTION 1 100% of the amounts shown above (subject to the halving of the cover amounts in the first year, noted above)

OR

OPTION 2 50% of the amounts shown above

OR

OPTION 3 No insurance cover

Any change to your insurance cover will be made from the date the Fund receives this form.
